

ANNUAL INDEX

This index is a compilation of articles and departments published in *AI EXPERT* in 1989-1990. It is separated into two categories: subjects and departments. Subjects are listed alphabetically; departments are listed chronologically under department headings, which are alphabetical.

SUBJECTS

BELIEF NETWORKS

"Understanding Bayesian Belief Networks," P. Morawski, May 1989, pp. 44-48.

"Programming Bayesian Belief Networks, Part II," P. Morawski, Aug. 1989, pp. 74-79.

CASE STUDIES

"The Citibank Pension Expert," J. Keyes, June 1989, pp. 61-65.

"The Ford Motor Company DLMS," J. O'Brien, W.P. Johnson, and R. Woodhead, Aug. 1989, pp. 42-52.

"Intelligent Elevator Dispatching Systems," N. Kamelli and K. Thangavelu, Sept. 1989, pp. 32-37.

"Expert Systems and Air Combat Simulation," R.R. Mitchell, Sept. 1989, pp. 38-43.

"AWKWARD: Toward Database Reasoning," Y. Lirov and S. Ravikumar, Oct. 1989, pp. 40-46.

"A Faster Embedded Inference Engine," D.M. Skapura, Nov. 1989, pp. 42-49.

CONSTRAINT

"Solving Constraint Satisfaction Problems," P. Nachtsheim, June 1989, pp. 30-35.

CONVENTIONAL LANGUAGES

(See *AI Apprentice*)

"Extracting Words From Natural Language Text," T.W. Madron, April

1989, pp. 30-35.

"Finding Visual Patterns Using Pascal," J. Kraidin, May 1989, pp. 36-43.

"Rule-Based Structural Design in C," C.M. Leaman, May 1989, pp. 28-34.

"Understanding Bayesian Belief Networks," P. Morawski, May 1989, pp. 44-48.

"Programming Bayesian Belief Networks, Part II," P. Morawski, Aug. 1989, pp. 74-79.

DATABASES

"Merging Expert Systems and Database," B. Cohen, Feb. 1989, pp. 22-31.

"Toward Reasoning About Data," J.A. Ketonen, Feb. 1989, pp. 44-49.

"Emulating OPS5 With a Database," A. Tzvieli, Feb. 1989, pp. 32-41.

"Natural Language Query Parsing," T.W. Winston, M.B. Taylor, and R. Leeds, Feb. 1989, pp. 50-58.

"Expert Systems and Corporate Databases," J. Keyes, May 1989, pp. 60-65.

"An RDBMS Kernel in PROLOG, Part I," R. Knaus, June 1989, pp. 46-54.

"An RDBMS Kernel in PROLOG, Part II," R. Knaus, July 1989, pp. 51-55.

"AWKWARD: Toward Database Reasoning," Y. Lirov and S. Ravikumar, Oct. 1989, pp. 40-46.

DISTRIBUTED SYSTEMS

"Distributed Artificial Intelligence,"

L. Gasser, July 1989, pp. 26-33.

EXPERT SYSTEMS

"Merging Expert Systems and Database," B. Cohen, Feb. 1989, pp. 22-31.

"Building Integrated Expert Systems, Part II," S. Amir, March 1989, pp. 42-52.

"Well-Structured Knowledge Bases," K. Pedersen, April 1989, pp. 44-55.

"Sequence Intolerance In Expert Systems," C.A. Rovira, April 1989, pp. 56-59.

"How To Print A File: An Expert System Approach," P.G. Selfridge, April 1989, pp. 36-41.

"Expert Systems and Corporate Databases," J. Keyes, May 1989, pp. 60-65.

"Rule-Based Structural Design in C," C.M. Leaman, May 1989, pp. 28-34.

"Well-Structured Knowledge Bases, Part II," K. Pedersen, July 1989, pp. 45-48.

"From Grassroots to Grand Plan," K.R. Bonnett, Aug. 1989, pp. 54-58.

"On Line Expert Systems in Process Industries," D.A. Rowan, Aug. 1989, pp. 30-38.

"Picking the Right Expert System Application," J. Casey, Sept. 1989, pp. 44-47.

"Expert Systems and Air Combat Simulation," R.R. Mitchell, Sept. 1989, pp. 38-43.

"Expert System Tools For Knowledge Analysis," R. Braun, Oct. 1989, pp.
